TEACHING AND EXAMINATION AT CS

- The course description pages

- A page at http://kursuskatalog.au.dk/
- Describes the formal requirements and conditions under which the course is run.
- Deviations from these conditions can actually support a student complaint
- Please check that assessment form is correct – if in doubt ask Gudmund or Søren

- The course homepage

- A page at https://services.brics.dk/java/courseadmin/
- Get support from: courseadmin@cs.au.dk
- Make a courseplan and try to stick to it

- Teaching forms

- A 5ECTS 1 Quarter course equals ~135 hours of student work..:
- 7*3h lectures + 7*3h T/P Exercises
- 7*6h Studiobased teaching/exercises
- + examination, +project work , + individual work.....
- Students follow 3 Courses at the time.

- Examination forms
- Should never be Pass or Fail unless there is a good reason
- Questions about examination forms please refer to the note “prøveformer” or ask.

Bonus info!: You can order exam-coffee/bread/fruit for the teacher and censor by emailing infom@cs.au.dk (2 days in advance)
